

which stood at \$330,000 when President Tribble took office, has grown exponentially under his tenure and now exceeds \$60 million, securing a bright future for the university for generations to come.

Madam Speaker, as the Christopher Newport University community gathers to celebrate a truly remarkable leader, I want to congratulate Paul Tribble on 26 years of legendary service to Christopher Newport University, and over 50 years of service to the Commonwealth of Virginia and the nation. I also want to thank Rosemary Tribble, his wife and partner for over 40 years, for her countless contributions, and their two children—Mary Katherine and Paul. I thank President Tribble for his decades of service and congratulations on a well-deserved retirement.

CONGRATULATING LIVING LANDS & WATERS ON THEIR 25TH ANNIVERSARY OF CLEANING AMERICA'S RIVERS

HON. CHERI BUSTOS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 16, 2022

Mrs. BUSTOS. Madam Speaker, I rise today to recognize Living Land & Waters for cleaning America's rivers for 25 years. Based in East Moline, they are the only industrial strength river clean-up organization in the world.

Living Lands & Waters was founded in 1998 by Chad Pregracke, with the mission of helping to protect, preserve and restore the natural environment of America's major rivers and their watersheds. By expanding awareness of environmental issues and creating a desire and opportunity for citizens to take an active role, they are helping to make a cleaner river environment for all of us. The Living Lands & Waters crew lives up to nine months a year on their barge and hosts river cleanups, watershed conservation initiative workshops, tree plantings and other key conservation efforts. Impressively, they have removed over 10 million pounds of trash from rivers around the country.

It is because of community organizations such as Living Lands & Waters that I am especially proud to serve Illinois' 17th Congressional District. Madam Speaker, I would like to again formally congratulate Living Lands & Waters on its 25th Anniversary of cleaning up our country's rivers.

IN RECOGNITION OF MELISSA SANDOVAL AND MARVIN MACAULEY

HON. TERESA LEGER FERNÁNDEZ

OF NEW MEXICO

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 16, 2022

Ms. LEGER FERNÁNDEZ. Madam Speaker, I rise to honor Melissa Sandoval and Marvin MacAuley.

Currently, wildfires are devastating my district. These fires have ravaged sacred, cultural, and familiar spaces while destroying everything in their paths. Tens of thousands of people are displaced and uncertainty sur-

rounds us. But, in this time of devastation, there are people who continue to give so much of themselves to meet the needs of their communities.

Some of these exemplary people include Superintendent Melissa Sandoval of Peñasco Independent Schools and Superintendent Marvin MacAuley of Mora Independent Schools.

Many communities in rural New Mexico are unincorporated or census-designated places without mayors, a town council, emergency managers, or special project coordinators. Despite this, communities like Peñasco and Mora are fortunate to have extraordinary superintendents.

When evacuation orders were looming and the need to prepare was imminent, Superintendents Sandoval and MacAuley got together and coordinated a response to provide shelter, warm meals, and a safe space for hundreds of displaced community members. They stepped up for their communities when it was least convenient.

I had the privilege of meeting with Superintendents Sandoval and MacAuley at the Peñasco Middle School evacuation site. As I walked through the gym and spoke to evacuees, their gratitude for the space created by Sandoval, MacAuley, and their teams, was evident. While these individuals and families were losing their homes, Sandoval and MacAuley ensured that they had fewer things to worry about.

People like Melissa and Marvin exemplify the strength of our communities. Their efforts remind us of the importance of showing up and stepping up for our neighbors whether through small everyday actions or large collaborative efforts.

Superintendents Sandoval and MacAuley represent the best of us.

I commend these two remarkable individuals for their leadership. I am thankful to them for all they have done and continue to do for their students and communities throughout northern New Mexico.

RECOGNIZING MRS. STACY COGGIN

HON. MIKE BOST

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 16, 2022

Mr. BOST. Madam Speaker, I rise today to recognize and congratulate a dedicated professional with the Department of Veterans Affairs on the occasion of her retirement. Mrs. Stacy Coggin is an exemplary public servant who has demonstrated the highest standards of professionalism on a daily basis. She has served with the Department of Veterans Affairs, Office for Congressional and Legislative Affairs the last five years of her more than 22 years in federal service. Her career in faithful public service is a testament to the importance of selfless service.

For the last 5 years, Mrs. Coggin served as Congressional Relations Officer in the office of Congressional and Legislative Affairs. She has been involved in a remarkable breadth of important VA programs across the Department including compensation and benefits claims, appeals, and field operations. In this capacity, she spearheaded support for more than nine hundred Congressional oversight actions, from

requests for information to Committee on Veterans' Affairs hearings, helping this body ensure our Nation's veterans and their families receive the care and benefits they deserve.

As Mrs. Coggin embarks on a new chapter in life, it is my hope that she may recall, with a deep sense of pride and accomplishment, the outstanding contributions she has made to the Department of Veterans Affairs, the House Veterans' Affairs Committee, and the veterans of the United States. May her life be filled with health and happiness.

FEDERAL RESERVE RACIAL AND ECONOMIC EQUITY ACT

SPEECH OF

HON. DOUG LAMALFA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 15, 2022

Mr. LAMALFA. Mr. Speaker, while I cannot rise in support of H.R. 2543, I would like to highlight one piece of this package that will make a difference in this district. Mr. Speaker, rural and low-income communities have many things in common including lack of access to financial services. In a rural area such as my district, constituents often drive 20–40 miles, even crossing county lines to receive access to their own funds. This is the case in more than one of the counties in my district. I want to applaud the efforts of the credit unions which are highlighted in this bill and support their efforts to bring more financial services to rural and unserved communities.

VISTA FIELD

HON. DAN NEWHOUSE

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 16, 2022

Mr. NEWHOUSE. Madam Speaker, I rise today to recognize an exciting addition to Central Washington that has been years in the making.

Vista Field, formally a municipal airport, is well on its way to becoming a vibrant and pedestrian-focused town center with neighborhoods and urban lifestyle amenities. The 103 acres of land will introduce 1,000 single-family homes, retail shops, restaurants, and entertainment to the growing community of Kennewick. The Port of Kennewick is celebrating this new addition to the community by hosting a grand opening celebration, today, where community members can be the first to see the new public amenities, such as a commercial plaza, pedestrian bridges, fountains, and ponds.

Once completed, this new urban development is expected to bring in \$51 million in infrastructure investments in addition to over 3,000 jobs for our local community, contributing to a thriving local economy.

Vista Field is a perfect example of the innovative projects that are possible when local leadership and community collaboration are at the forefront, and I am excited to see this project take form and bring new opportunities for everyone in our community to enjoy.

HONORING JAN ZIMMERMAN ON
HER RETIREMENT AS CHIEF OF
POLICE IN RAYMORE

HON. VICKY HARTZLER

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 16, 2022

Mrs. HARTZLER. Madam Speaker, I rise today to honor the distinguished career of Chief Jan Zimmerman of the Raymore Police Department. After more than four decades of selfless service working in public safety, Chief Zimmerman has announced her intent to retire. She has established an inspiring career and legacy that is a true testament to the value Missouri's public servants bring to their communities.

Beginning a career in public safety in 1979, Jan served the Kansas City Police Department (KCPD) as a dispatcher; shortly thereafter, she attended the Kansas City Police Academy and was sworn in as a KCPD police officer in 1982. Throughout her career in law enforcement, Jan served the KCPD with distinction by rising through the ranks of sergeant (1987), captain (1994), and ultimately concluded her tenure as major (2000). Jan holds a BA in Criminal Justice, an MA in Public Administration, and is an alumnus of the FBI National Academy in Quantico.

Joining the Raymore Police Department as Chief of Police in 2012, Jan Zimmerman has led the department through tumultuous times providing unrelenting leadership. Chief Zimmerman places high expectations on her officers, committing herself to provide quality training and setting an example for the next generation of public safety professionals.

Jan also championed mental health by partnering with healthcare professionals to develop the Crisis Intervention Team (CIT) and implement the program at the KCPD and the Raymore Police Department. Later, she served as a Jackson County Mental Health Court Commissioner and considers this experience one of her proudest accomplishments. Zimmerman is the first female in the history of the Missouri Police Chiefs Association to receive the Donald "Red" Loehr Outstanding Police Chief award for her achievements in ensuring public safety.

Law enforcement officers face many difficult, sometimes fatal, challenges. To support fallen officers' families, Jan serves as a program director for the Surviving Spouse and Family Endowment Fund with the Kansas City Crime Commission.

For over a decade, Chief Zimmerman has put the safety and wellbeing of Raymore residents above her own. With the support of family; her husband, Major David Zimmerman of the Kansas City Police Department; her daughters, Jackie and Britt; and her granddaughters, Elise and Michele, Jan has withstood the hardships that are all too common in law enforcement.

Today, thanks to the leadership of Chief Jan Zimmerman, Raymore residents enjoy safer neighborhoods, exceptional emergency services, and a police department that serves with integrity. On behalf of Missouri's Fourth Congressional District, I thank Chief Zimmerman for answering the call to serve and protect our community. Congratulations on a well-deserved retirement.

BRINGING ATTENTION TO THE
LEFT'S WAR ON AGRICULTURE

HON. RONNY JACKSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 16, 2022

Mr. JACKSON. Madam Speaker, I rise today to bring attention to a serious issue facing all of rural America: the Biden Administration and the radical Left's War on Agriculture.

Today, the House will vote on H.R. 7606, which will exacerbate fractured supply chains, skyrocketing input costs, and historic levels of inflation, all of which are hammering American consumers.

This bill is the latest attempt to scapegoat private industry rather than address the real needs and concerns of farmers, ranchers, and rural Americans.

We know the Biden Administration and my colleagues across the aisle see Americans in the oil and gas industry as the enemy, and I truly believe they now see farmers and ranchers as the enemy too.

I want my constituents back home in Texas to know this is something I'm fighting every day.

I represent the number 1 Ag district in Texas, and the farmers and ranchers in my district are experiencing out of control input costs for fertilizer, fuel, and basic parts for equipment. I can assure you the legislation we're voting on today will make matters worse.

A spending and regulatory agenda that compounds the situation and further limits the American Ag industry's ability to meet global food demands is not the answer.

Instead, I urge the Speaker to abandon this bill and bring H.R. 8069, the Reducing Farm Input Costs and Barriers to Domestic Production Act, to the House Floor.

H.R. 8069 will actually support our farmers and ranchers by ensuring they have regulatory certainty so that they may grow abundant and affordable food and fiber.

Rather than generate additional layers of bureaucracy and regulatory compliance with H.R. 7606, Congress should take up H.R. 8069 immediately.

I thank Ranking Member G.T. THOMPSON for his leadership on the right approach, H.R. 8069, and I urge my colleagues to vote NO on H.R. 7606.

RECOGNIZING JOHN F. GIBBS

HON. TOM EMMER

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 16, 2022

Mr. EMMER. Madam Speaker, I rise today to recognize John F. Gibbs for his 18 years of service to Comcast, over 40 years in the cable industry, and decades of dedication to his community and the state of Minnesota. Mr. Gibbs announced his retirement from Comcast, and although he will be greatly missed, his hard work and contributions have made a positive impact on the industry and community, ensuring he will not be forgotten.

Mr. Gibbs joined Comcast in March 2003 with more than 20 years of legal and telecommunications experience. During his ten-

ure, he built and led an industry-leading state government affairs team that has achieved a strong record of successes across the country. Prior to 2003, he was a partner at the Minneapolis law firm of Robins, Kaplan, Miller & Ciresi, LLP, and practiced in the areas of communications and regulatory law. While at the firm, he provided counsel to the franchise transfer activities associated with Comcast's acquisition of AT&T Broadband and other major industry transactions, including the mergers of AT&T and MediaOne, AT&T and TCI, and AOL and Time Warner. Before joining the Robins firm, Mr. Gibbs served as Vice President of Corporate & Legal Affairs for Continental Cablevision in Los Angeles from 1986 to 1995.

Long involved in community affairs, Mr. Gibbs was elected to the Three Rivers Park District Board of Commissioners in November 2010. This park system is in the west suburban Minneapolis/St. Paul metro area and manages almost 27,000 acres of park reserves, regional parks, regional trails, and special-use facilities. Prior to this, Mr. Gibbs served for 10 years on the Hennepin County Library Board where he served as president for three of those years. He is the former chair of the Hennepin County Policy Advisory Committee, a former member of the Bloomington, Minnesota Charter Commission, former member and chair of the Bloomington Cable Commission, and has served on a variety of non-profit boards.

Currently, in addition to representing District 5 on the Three Rivers Park Board, Mr. Gibbs serves on the boards of Artistry Theater and Visual Arts in Bloomington and the Minnesota River Valley Chapter of the Izaak Walton League.

I congratulate Mr. Gibbs on his successful 18-year career with Comcast and over 40 years of leadership in an industry that has invested heavily in America and through broadband improved the lives of the citizens of this country. I commend Mr. Gibbs on his decades of service to the State of Minnesota, Hennepin County, and the City of Bloomington. I know the whole House joins me in wishing him the best in retirement and as he continues to serve his community as a valued and experienced leader.

**RECOVERING AMERICA'S
WILDLIFE ACT OF 2021**

SPEECH OF

HON. ROSA L. DeLAURO

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 14, 2022

Ms. DELAURO. Mr. Speaker, I rise today to express my concerns with respect to H.R. 2773, the Recovering America's Wildlife Act. The bill has laudable goals and the potential positive impact on our nation's wildlife conservation efforts is undeniable. I am a long-standing proponent of environmental causes and the benefits of investing in them.

However, the ends do not justify the means. Specifically, the bill provides an average of \$1.4 billion per year in mandatory appropriations from the General Fund indefinitely. As a result, this bill provides the additional funding on autopilot without any role for this or future Congresses to scrutinize the details and value
